Today's Psalm

*For the Lord watches over the
way of the righteous, but the
way of the wicked will perish.*

Psalm 1:6

Church Music

One of the frequent church discussions in the past half-century concerns church music. Some congregations only sing hymns, while others only sing Psalms. There are congregations that mix hymns and contemporary music.

The book of Psalms is a song book. Psalms = Church Music! It captures the prayers and concerns, the triumphs and tragedies of each writer but at the heart, the Psalms are ultimately about Jesus.

Because the Psalms are about Jesus, this summer series on Psalms is entitled **Church Music**. For those who believe, Christ is the tune of life.

I am really looking forward to teaching through these Psalms. May the Lord bless us in our time together.

Lord's Day 25

"This statement 'blessed is the man' should be understood of our Lord Jesus Christ."

Augustine
Exposition of the Psalms

"The first psalm speaks literally concerning Christ thus: Blessed is the man. He is the only blessed One and the only Man from whose fullness they have all received (John 1:16) that they might be blessed. . . because Jesus is the firstborn among many brethren (Rom 8:29)."
